

TOWN OF Poolesville MARYLAND

Parks/Fields Permit Allocation

The permit may be submitted by any resident of the town if it is for personal use. If the permit is for a sports team or organization, the permit must be submitted by the head of the organization, an authorized representative (e.g. Commissioner of a sport or age group) for the organization or individual coach not associated with an organization permit e.g. SAMS Soccer). Businesses should be represented by the owner.

Allocation of fields/parks will be in the following order:

1. Town of Poolesville Municipality Activities
2. In-town organizations
 - a. Non-profit
 - b. For profit
3. In-town individuals
4. County organizations
 - a. Non-profit
 - b. For profit
5. County individuals
6. Non-County organizations
 - a. Non-profit
 - b. For profit
7. Non-County individuals

In the event that a resource is requested by multiple organizations, such as sports teams, the organization with the highest percentage of town residents or representing town residents will be considered over those with a smaller percentage of town residents. Historical use organizations will receive preference over new organizations.

Instructions for permit holder

Permit holders may surrender unused time to the town so it may be made available to others who may need/want a field or portion of a park.

Sports organizations permit requests are due by February 15 for the spring season and August 1 for the fall season.

TOWN OF Poolesville MARYLAND

Instructions for permit holder (cont.)

Permits are NOT transferable. Insurance certificate must be presented or on file for Sports Organizations. Permit holder is responsible for cleaning up and any damage to the field. Coaches and Managers are required to sign up for town alerts so that field status may be conveyed via electronic message. Click here: <http://www.poolesvillemd.gov/AlertCenter.aspx>

Parks/Fields Status (Open/Closed)

The fields are considered unavailable if the town closes them due to adverse weather. Do not use the fields if there is standing water on the field, if you sink into the field or play would cause damage to the field. Your permit will be revoked if you use the fields when the town has closed them.

The town will determine on weekdays by 3 PM if the fields are closed or open. Field status designations may be Open, Closed, Partial Closure (e.g. Infield closed, grass areas open, etc.). After 3 PM, the field status will be determined by the on-site official (e.g. Umpire/Referee). Weekend games/practices will be at the coach's discretion, based upon the posted guidelines for use. These rules and guidelines are also on the User Acknowledgement Page.

A rental fee will now be required. Field permit fees* are \$5/hour or partial hour. Total fee is due upon issuance of the permit. The Tournament/Event fee structure (for ages 7 and up) is reflected in the following grid. "Other" refers to items such as Bike Races, Road Races or non-sport events.
